

Outsourcing at Mazars in the Czech Republic will be led by Jana Boščíková and Vendula Pešková

31 October 2023 - Mazars, the international audit, tax and advisory firm, today announces, that its office in the Czech Republic has two new leading partners of the Outsourcing Department. Jana Boščíková has been in the management of the company since 2017 and is responsible for payroll outsourcing, HR and ESG services. Vendula Pešková has been newly appointed to lead the accounting outsourcing services section. Vendula Pešková replaces the current outsourcing leading partner Nicolas Candy, who will continue at Mazars with a new role which will be announced shortly.

Jana Boščíková has been with Mazars since 2005 and has been a partner for the last six years. She focuses on the outsourcing of payroll services, especially international projects in the field of HR, payroll and HR controlling. She manages Mazars' group of payroll professionals in the CEE region and is part of the Mazars Global Payroll working group. Since last year, she is also newly responsible for the ESG services section. She has gained experience during her career in consulting, audits, HR and financial accounting. She is a graduate of the University of Economics in Prague. She speaks Czech and English.

Vendula Pešková has worked at Mazars since 2000, the last five years as a partner. She focuses mainly on outsourcing accounting services and accounting consulting, including the implementation of accounting systems. Due to her previous work in the field of auditing, she also has practical knowledge of the functioning of local and international accounting standards from an audit perspective. Vendula Pešková is a member of the Chamber of Chartered Accountants (accounting expert level), and a member of the Committee of the Chamber of Chartered Accountants. She holds the prestigious Diploma in International Financial Reporting Standards (DipIFR) and graduated from the University of Economics in Prague. She speaks Czech, English and French.

The Outsourcing Department currently employs more than 100 accounting and payroll professionals, whose services are used by over 400 clients of various industries and sizes, ranging from small and medium-sized companies to large multinationals.
