Mazars at a glance

A different perspective

In 2024 and beyond, it's time to move forward with renewed purpose, concentrating on what really matters; acting now to prepare for what's next. Mazars will remain fully committed to playing its part in creating a fairer, more sustainable world. We operate around the world as a single, united and connected team of partners, with aligned interests, consistent delivery models and a shared commitment to the highest standards of service delivery and ethics.

Present in over 95 countries and territories, we work together as one team across borders and functions to deliver exceptional and tailored services. We combine our skills and expertise with both a global perspective and local knowledge to provide clients with a broad array of professional services in audit and accounting, as well as tax, financial advisory, consulting, sustainability and outsourcing services.

"Now more than ever, businesses must respond to societal expectations and needs, acting today to secure the future they want to build tomorrow. Driven by our values and purpose, we are set for change."
